

Aunt Leah's TREES

Frequently Asked Questions

Why should I buy from you?

Buying one of our trees means you're not just getting a high quality tree but you are also helping to prevent youth in foster care from becoming homeless, and young mothers from losing custody of their children.

Where are your trees from?

All of our trees are sourced from the interior of British Columbia and the area of the Pacific North West.

Are all your trees pre-cut?

We also offer potted Alberta Spruces that you can enjoy inside or plant in your backyard.

What are your prices this year?

Our prices vary depending on the tree type and size. For a 7' tree, expect to pay anywhere from \$91-\$155. We also offer trees in pots or wreaths for \$45-\$55.

Do you offer delivery?

Unfortunately we are unable to offer delivery services for this season.

Can I call to ask if you have a particular size or type of tree in stock?

Our inventory moves very quickly and we cannot guarantee what will be available when you come to our lots. We restock regularly and communicate this through our social media channels during the season.
